OCTAGON Numbers

There is a logical pattern in each octagon. Can you find the missing number? Start at the triangle with the star and continue clockwise.

STARTDL PUZZLES

Answer:

195 = + 7 + 17 + 27 + 37 + 47 + 57 + 67
 259 = + + 4 x 2 + 5 x 3 + 6 x 4 + 7
 53 = - 9 + 16 - 25 + 36 - 49 + 64 - 81
 40 = + 11 - 9 x 2 + 11 - 9 x 2 + 11
 2 = x 2 add the digits, 2 x add the digits.....
